

Disclaimer for Website

Opus Services

This website is for general information only and Opus Services Sdn Bhd [Registration No. 202001035960 (1392281-T)] makes no representations on the accuracy or completeness of the information and the information being presented is provided for informational purposes and does not constitute any professional advice. It does not have any regard to the specific objectives, financial situation and particular needs of any specific person and is based on information obtained from sources believed to be reliable. Opus Services relies on information from various sources believed to be reliable, including clients and third parties, but cannot guarantee the accuracy and completeness of that information. Nothing in this communication should be construed as an offer, recommendation, or solicitation to buy or sell any security. Additionally, Opus Services does not provide tax advice and investors are advised to consult with their personal tax advisors.

An investment into any products mentioned in this website is not intended to be a comprehensive investment solution. Any prospective investor should carefully consider if the product is suitable for them in view of their entire investment portfolio – including their financial circumstances and resources. Opus Services' financial advisory and planning services, provided to investors who become clients thereafter pursuant to a written agreement, are designed to aid our clients in preparing for their financial futures and allow them to personalize their assumptions for their portfolios.

All investing involves risks, including the possible loss of money you invest, and past performance does not guarantee future performance. Historical returns, expected returns, and probability projections are provided for informational and illustrative purposes only, and may not reflect actual future performance. The investor should refer to the relevant prospectus/information memorandum for inherent risks of investing in the financial products.

Opus Services does not represent and warrant that the information, software, products and services or server that make it available will be uninterrupted or free from errors or that there will be no interruptions, delays, failures or loss of transmitted information or viruses. However, Opus Services will endeavour to ensure that all necessary measures are taken to limit the possibility of such issues occurring. Any third party sites linked to the main website which are not under the control of the Opus Services and the inclusion of the link does not imply an endorsement by the Opus Services of the third party site. Opus Services is not responsible for the content of any linked from third party site, or any changes or updates to such sites.

In no event shall Opus Services be liable for any direct, indirect, punitive, incidental, special, consequential damages or any damages whatsoever including without limitation to damages for loss of use, data, or profits arising out of or in any way connected with the use or performance of this website, the provision of or failure to provide services or for any information, software, products, services obtained through this website or arising out of the use of this website, whether based on contract, tort or strict liability or otherwise, that may arise from the use of this website whether based on contract, tort, strict liability or otherwise.

No part of this website nor any material from this site may be reproduced, altered, or stored in any other website or be included in any public or private electronic retrieval system or services without prior written permission of Opus Services.

If you are dissatisfied with any part of this website, or with any of its terms of use, your sole and exclusive remedy is to discontinue using this website.
